

Aloe Veterinary Formula

Description and Purpose

When a family member suffers minor skin irritations, they try Aloe First. Forever has created Aloe Veterinary Formula – a unique remedy for animals.

Aloe Veterinary Formula is made with stabilised aloe vera gel as its primary ingredient, and is ideally suited for skin problems. Allantoin, a naturally soothing substance, is the other main ingredient. The nozzle-control spray makes application to any size or type of pet easy. Aloe Veterinary Formula can provide quick and soothing relief.

Spray onto coats after bathing for added shine and condition.

At a glance...

- High concentration of aloe vera
- Multi-purpose product
- Can be helpful in dealing with ringworm, equine mud fever and contaminated wounds
- Moisturising action
- Easy nozzle spray application

Ingredients

Stabilised aloe vera gel, water, allantoin, glycerin, tocopherol (vitamin E natural), ascorbic acid, potassium citrate, propylene glycol, polysorbate 20, sodium citrate, imidazolidinyl urea, methylparaben.

Contents

473ml (16fl oz).

Directions

Cleanse with Aloe Liquid Soap and water, and apply to affected areas. Bandage if necessary. For optimum results apply several times daily or as recommended by your veterinary surgeon.

Note Always consult your veterinary surgeon before undertaking any treatment on an animal.

This product is for external use only, and is not recommended for deep puncture wounds. Avoid contact with the eyes and other sensitive areas.
